

Getting on and off buses and trains

Buses: Many of the buses in the Metlink network now have easy access low floors, and many will 'kneel' for you, making it easier to get on and off.

Trains: Passengers with mobility impairments who require further information or assistance should call Tranz Metro in advance of their travel on **04 498 3013**.

+ Metlink fares

Travelling to Hospital?

Take public transport – it's easy

Greater Wellington's public transport network
0800 801 700 www.metlink.org.nz

GW/MET-G-09/31

Metlink information is provided by:

If you need to travel to **Wellington Hospital, Hutt Hospital or Kenepuru Hospital**, there are several public transport options available. This leaflet gives you an idea of how to get to hospital from several key locations in the region. It is always a good idea to check the timetable for a particular day before travelling as timetables do vary, depending on the day and time.

+ Plan your journey from any location in the greater Wellington region using the Metlink Journey Planner online at www.metlink.org.nz. You simply enter where you're travelling from, where you are going to and what time of day you intend to travel. You'll be given a range of travel options for your journey.

+ Call Metlink on **0800 801 700** for assistance.
