PLANNING YOUR JOURNEY

You can plan your trip by using the Metlink journey planner. It's available:

As well as helping you get from A to B, these tools enable you to:

- plan your return journey
- choose your preferred travel mode (bus, train or harbour ferry)
- arrange to arrive at your destination by a specified time.

TAKING A HIKE OR A BIKE?

If you're a keen walker or cyclist, make the most of your outings with the Wellington Walking & Cycling Journey Planner. It's available as an app (see www.journeyplanner.org.nz/app) and at www.journeyplanner.org.nz.

Use the Journey Planner to map your route from start to finish, including stops along the way. You'll also get useful information, including elevation graphs, journey times and car-cost savings.
