

Design a Metlink Bus Competition 2022

Privacy Statement

What this statement covers

Greater Wellington Regional Council (Greater Wellington) has created this privacy statement to explain how we deal with your personal information collected through the Design a Metlink Bus Competition 2022 (the design competition). Personal information is information about an identifiable individual – you.

Our collection, use and disclosure of your personal information addresses the requirements of the Privacy Act 2020. This Act is administered by the Ministry of Justice and overseen by the [New Zealand Privacy Commissioner](#).

What personal information do we collect, and how will we use it?

We are collecting the first name, age, and name of the education provider, of people aged 4 to 18 who enter the design competition (Participants), and the email address or phone number of their parent or legal guardian.

The provision of this information is voluntary. If the Participant or their parent or legal guardian does not provide the requested information, the Entry is not valid in accordance with clause 2 of the Competition's Terms and Conditions.

If the Participant submits the Winning Entry, their name, age, and bus design will be added to a Metlink bus and become publicly available. We will also collect a photograph of the Winning Participant and their family alongside the wrapped bus for promotional purposes (in accordance with section 7 of the Competition's Terms and Conditions).

The email address or phone number collected will only be used to contact the Winning Participant's parent or legal guardian.

Using your information

We will only use the personal information provided to us:

- For the purposes we collect that information
- For other reasons permitted by the Privacy Act 2020 (e.g. with your consent, for a directly-related purpose, or where the law permits or requires this use).

Data storage, security and access

Greater Wellington has implemented measures to ensure your personal information is kept safe and secure; protected against loss, damage, misuse and unauthorised access; kept accurate, current, complete, relevant, and is not misleading.

These measures include:

- Digital information is held in a secure folder in Greater Wellington's document management system
- Our security includes:

- Access to this folder is restricted to Metlink’s Community Engagement Advisor and Greater Wellington’s Marketing and Communications Coordinator
- Any changes to these access permissions require approval by Greater Wellington’s Manager Customer Engagement
- Any access to this folder and the information stored within it is recorded and monitored by Greater Wellington
- Physical entries are stored in a secure, locked location at Greater Wellington’s Cuba St. Office location for the period of the competition.

Sharing your information

The following information will be used in promotional material and therefore shared widely (in accordance with clause 7 of the Competition’s Terms and Conditions), including with agencies supporting those promotions:

- The Winning Participant’s first name, age, and bus design as included in the bus wrap
- The photograph of the Winning Participant and their family alongside the wrapped bus will be promoted by Greater Wellington’s media releases, newsletters, Facebook page at www.facebook.com/GreaterWellington and Metlink’s Facebook page at <https://www.facebook.com/metlinkwgtm>

In the event that Greater Wellington runs a similar design competition in 2023, the Winning Entries, including Personal Information, may be used to advertise and promote that competition.

How long do we hold your personal information?

We will retain all personal information that we collect until Monday 7 August 2023, or as required by law.
